

Highly motivated IT student seeking an entry-level position to apply strong foundations in programming, web development, and database management. Eager to learn, grow, and contribute to innovative technology-driven solutions in a collaborative environment.

## EDUCATION

<b>Bachelor of Technology (B.Tech) in Information Technology</b>	2023-Present
Noida Institute of Engineering and Technology (NIET), Greater Noida	
<b>Senior Secondary (Class XII)</b>	2023
Divine Educational Institute (CBSE Board)	
<b>Secondary (Class X)</b>	2021
Divine Educational Institute (CBSE Board)	

## SKILLS

<b>Programming Languages:</b>	C++, SQL
<b>Web Frameworks:</b>	HTML5, CSS3
<b>DevOps Tools:</b>	Git, VS Code
<b>Coding Profiles:</b>	LeetCode (Solved 100+ algorithm problems), Coding Ninjas (Solved 100+ algorithm problems)

## TECHNICAL EXPERIENCE

### Location Embedded QR Attendance System | Web Technologies, Geo-Fencing *Smart India Hackathon (SIH Project)*

- Developed a QR-based attendance system integrated with geolocation and geo-fencing.
- Restricted attendance marking to authorized locations to reduce proxy attendance.
- Designed an admin dashboard for real-time attendance monitoring and record management.
- Implemented backend logic for secure storage and retrieval of attendance data.

### ODOP Website (The Uttarakhand Essence) | HTML, CSS, JavaScript

- Developed a responsive informational website showcasing district-wise ODOP products.
- Designed structured UI layouts for product listings and content display.
- Added dynamic content handling for updating product and district information.
- Ensured cross-device compatibility and clean navigation.

## EXPERIENCE

### Web Development Intern | CodSoft Aug 2025 - Sept 2025

- Completed a one-month internship focused on core concepts of web development.
- Worked on building responsive web pages using HTML, CSS, and JavaScript.
- Gained hands-on experience with frontend development practices.

## TRAINING AND CERTIFICATIONS

**Infosys Springboard:** Artificial Intelligence and Machine Learning, Scrum in Practice  
**Coursera:** Design Thinking
